Welcome to the traditional territory of the Huu-ay-aht First Nations people, we are glad that you have decided to visit our beautiful territory. Be advised that we are currently implementing off-season procedures for preparing the campground for winter closure by Nov. 15, 2026

Pachena Bay Campground is in Bamfield and is 76 km drive along a new chip sealed logging road. Access from Port Alberni is still currently closed and road access is through youbou currently.
